About The Cast (in alphabetical order)

Joey Altieri (Vito Antonnuci)

This is Joey's second show for K.P. having just finished *A Few Good Men*. He's also had lead roles in "*Jesus Christ Superstar*", "*Hooters*", "*Lonestar*" and "*Golden Boy*". He divides his time between acting studies and raising his eight year old son Nikolas.

Gary Anello (Jimmy Zoole)

Gary is glad to be back at Kentwood a second time, after appearing as Ken in last seasons *Rumors*. A Tampa native and Chicago transplant, he has been in "*Italian American Reconciliation*", "*The Foreigner*", "*Lonestar*", "*Cyrano De Bergerac*" and Mamet's "*Edmund*". He can also be seen in two upcoming films, "*The Stalking*" and "*The Girl in the Pink Cadillac*". But look fast.

Susan Kelejian (Kate Hough)

Susan was born and raised in L. A. and is a graduate of The American Academy of Dramatic Arts. She just completed a successful run as Olive in the "*Female Odd Couple*" in Pasadena. Her favorite theatrical roles are portraying evil and vampy women in Shakespeare plays. She enjoys musicals but rarely gets cast in them because she sings louder than most everyone else. This is Susan's premiere role at Kentwood and she is very pleased to be appearing in this production and being the token female.

P.S. Susan is single and has no dependants, not even a cat.

Michael Langley (Fred Gable)

Michael is making his debut at Kentwood. He recently relocated here from Seattle where he portrayed a variety of characters ranging from Biff in "*Death of a Salesman*" and Axel in "*The Nerd*" and in many theatres all over the Pacific N.W. Some of his favorite roles include Oates in "*Terra Nova*", Elyot in "*Private Lives*" and Andy in "*Star Spangled Girl*". He is a graduate of The Cornish College of the Arts in Seattle, where he earned a B.A.A. in 1981.

About The Director (GEORGE L. RAMETTA)

Since joining K.P. 2 years ago he has been extremely busy. He appeared in *The Goodbye People* and was Stage Manager for *The Cemetery Club* also Co-Produced *Rumors*. This is his first Mainstage Production for K.P. as Director and welcomes the opportunity and challenge. Previous credits as a director include "*Barefoot in the Park*", *The Odd Couple*", "*Pippin*", "*The Sound of Music*" and "*My Fair Lady*". Special thanks to Mom and Dad for their love and support, and to Lauren for friendship and a shoulder to lean on, also to Charlotte for getting this show on the boards.

About The Producer (LYNNE BARNES)

She is a workaholic at K.P. No task is too large or small for her. She has been involved in every aspect of our Theatre. Ask her to do something for any production and she does it immediately if not sooner. A very valuable asset to K.P.

Would you like to learn more about our theatre and get involved?
